One Deletion in Ardour Global Alternative Energy Composite Index Quarterly Rebalancing

New York, NY, Wednesday, March 8, 2017 — The Ardour Global Alternative Energy Composite IndexSM (TICKER: AGIGL) will drop one constituent in its quarterly rebalancing, effective 6:00 PM (EST) Sunday, March 19, 2017, changing the number of index components to 101.

The deletion from AGIGL is: Trina Solar Ltd-Spon Adr (TICKER: TSL US).

Complete lists of constituents and weights will be posted on the Ardour Global Alternative Energy Index family website (<http://ardour.snetglobalindexes.com>) as of the effective date.

The Ardour Global Alternative Energy Indexes are capitalization-weighted, float-adjusted indexes of the most prominent alternative energy stocks in the world. To be included in the indexes, companies must be pure-play and their stocks must pass multiple screens, including those for capitalization, float, exchange listing, share price and turnover.

Detailed index information, including constituent data, rules and price information, is available at <http://ardour.snetglobalindexes.com>. Data is also available through most vendors of financial data.
